B.T.Keshava Iyengar, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

I have the honour to submit, herewith, an extract from the T.A.Bill of this Office for the month of January 1932, relating to the journeys performed by the Deputy Registrar during the month, together with a copy of the Comptroller's memo of disallowance pertaining thereto and to state as follows:-

A sum of Rs.21-13-6 has been deferred for obtaining sanction of Government for exceeding the monthly allotment of Rs.100/- fixed in Government Order No.Fl.3489-548/S. &68-31-1 dated 22nd November 1931. The Deputy Registrar has explained that the excess was unavoidable as he had to attend the general meetings of the newly organized Land Mortgage Societies of both Sagar and Manjarabad Taluks during the month of January 1932 and that these meetings were long overdue and ~~cannot~~ could not be further postponed by the societies. I fully agree that the journeys performed by the Deputy Registrar were absolutely necessary and that the excess was unavoidable. I therefore request that Government may be pleased to authorise the Comptroller to admit in audit the excess over the provisional limit. In this connection, I beg to state that the jurisdiction of the Deputy Registrar extends over four Districts, and the Kolar Division office has recently been transferred to his charge. The Land Mortgage Societies as well as the indebted co-operative credit societies require frequent inspection and supervision and necessity will sometimes arise for exceeding the limit fixed in the said Government Order and such excess in any one month will be made up by undertaking limited touring in other months so as to be within the total allotment. I need not add that such excesses will come under my close scrutiny. I therefore request that Government may be

P.T.O.

be pleased to authorise the Comptroller to admit such occasional excess claims of the Deputy Registrar in audit, on my countersignature subject to the condition that the annual allotment is not exceeded. Similarly, the jurisdiction of some of the Assistant Registrars also, viz., Mysore, Shimoga and Tumkur Divisions comprises two Districts and in very rare circumstances, it may become necessary for them to perform journeys which may involve some excess over the provisional monthly limit fixed in the Government Order referred to above. To avoid correspondence with Government whenever each such case arises, I request that if Government approve, they may be pleased to empower the Registrar as has been done now in the case of other Heads of Departments, to sanction at his discretion claims by the subordinate officers of the Department in excess of the monthly limit fixed in the Government Order of 22nd November 1931 and include his name in the list of Heads of Department specified in Appendix R, Mysore Service Regulations. Care will however be taken to see that the allotments fixed for each of the officers for the year are in no case exceed.

I have the honour to be,
Sir,
Your most obedient servant,

H H Ramaya
Registrar.
